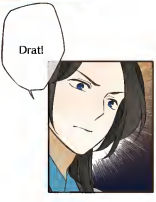
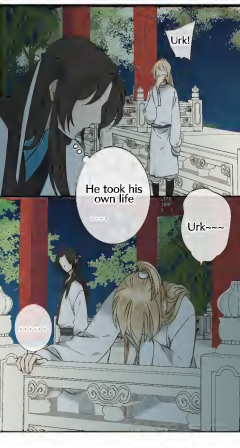
Who sent you here?!
Steps on
As if I'd tell you!

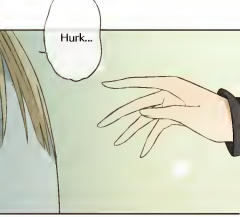
Creak!!
Urgh!



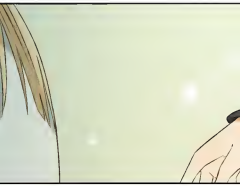
Drat!



Urk!
He took his own life
Urk~~~



Hurk...



Young man, how come you can't seem to handle the sight of blood? After all, situations like this are common in the Palace.

Hailing from the countryside, I'm not used to it yet. Likewise I also still yet to take part in battle.

In other words, you wouldn't have stand a chance.

My Lord, are you really just planning to escort me home? Or is it only a pretext?
Please do tell.

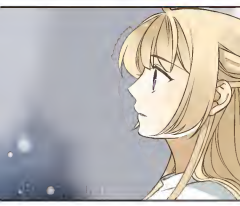
Hmph, Don't speak nonsense.
I only saved you because you remind me of an old man who should stay seated all day long.

Then, what if an old friend of yours were to come by,
Ba-dump!
Would you welcome them here?
Ba-dump!
Ba-dump!

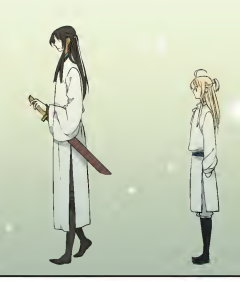
No, I wouldn't let her stay.

Ba
Dump

She is not suited for this kind of place.



Not suited to this place? Would Lianlian really just throw me away?



Stops——
It's clear that you're still in shock, so I will definitely be escorting you back. Now stop standing around and follow me.

Oooh! I'm coming, I'm coming!

Many thanks My Lord, for bringing me back. However, I would like to make a request.
What is it?
Since I don't know who is trying to kill me, maybe you could offer me shelter in your house?
I knew this was coming.

How can you help in the household? I can't have you there if you don't do anything.
I can clean up, cook, give back rubs. I won't eat for free!..

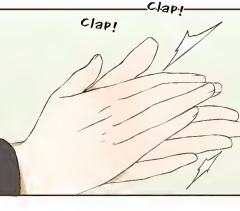
Well...I do actually require a assistant...

Please give me a moment, My Lord. Allow me to get a few things!
DASH——————

Alright, now we can go!

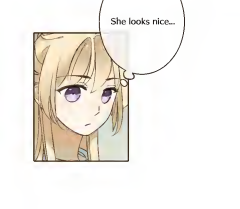
Young man, your luggage is quite imposing!
Haha, many thanks!
That wasn't a compliment.

Half an hour later——
You'll be living here for the time being.

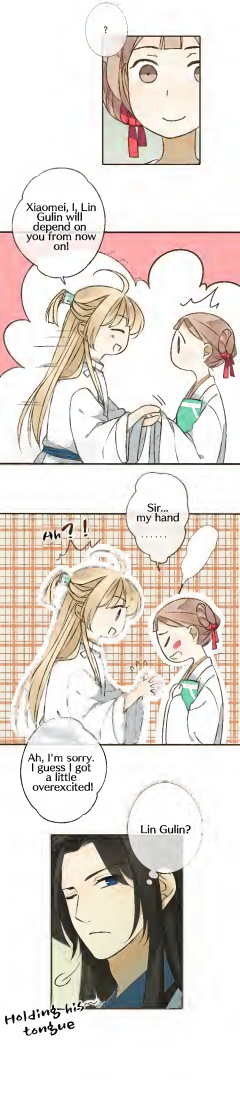


Clap!
Clap!

This is Xiaomei, the head maidservant. If you have any question regarding the house, feel free to ask her.



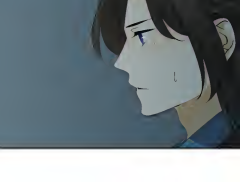
She looks nice...



?
Xiaomei, I, Lin Gulin will depend on you from now on!
Sir... my hand .....
Ah?!
Ah, I'm sorry. I guess I got a little overexcited!
Lin Gulin?
Holding his tongue

My Lord! You really are a good person!
Runs—

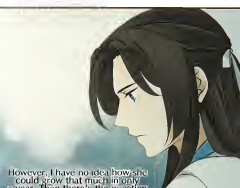
Lianlian, I will definitely get to know the real you. I won't let you send me away before then!



Drops down
I wasn't wrong, it's really her!
Turmoil~
Confusion~

Besides her, no one has ever dared to speak to me this way!

Die Lianlian! Stinky Lianlian!



However, I have no idea how she could grow that much in only a year. Then there's the question of how she got here in the first place...

Seeing her like that...

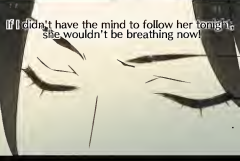
Ah!!
Inner torment
Ah!!
Ah!!
Criminal thoughts
Evil intentions
Ah!!
Ah!!
Ah!!

I know it. There's no reason for me to be in the first place...

In any case, I hope that she'll realize that this is no place for her...

Also, who could want her dead?

If I didn't have the mind to follow her tonight, she wouldn't be breathing now!



Until it is safe for her to leave, she will have to learn to protect herself!

Heaven

Steps

It's you!
